POSITION DESCRIPTION

The Deputy Director of the Facilities Development Division (FDD) reports to the Director/Chief Deputy Director of the Office of Statewide Health Planning and Development (OSHPD) and serves as a member of the Executive Staff. The Deputy Director functions with a high degree of independence and autonomy, and formulates, analyzes, revises, interprets and evaluates program policies for the Division. In addition, the Deputy Director provides overall direction and supervision to the Division's managers in carrying out program goals and objectives, and coordinates the activities of professional staff engaged in the review of design plans and specifications and construction observations for conformance with the Hospital Seismic Safety Act and Title 24, California Building Standards Codes. This position may be located in either Sacramento or Los Angeles.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity

exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)

In appraising experience, weight will be given to the following qualifications, as well as possession of the aforementioned minimum qualifications:

1. Advanced degree and/or professional license to practice in fields of architecture or engineering.
2. Knowledge and experience in health facility design, fire and life safety, structural review, construction inspection, and architectural/engineering functions.
3. Demonstrated strong management and administrative leadership skills, including the ability to facilitate the establishment of priorities, to provide direction, to build an effective team and to be a productive member of the strategic management team.
4. Knowledge and experience in managing, directing, and evaluating staff engaged in health facility design, fire and life safety, structural review, construction inspection, and architectural/engineering programs.
5. Familiarity with current health policy trends and issues.
6. Ability to develop cooperative working relationships with the public and representatives of governmental entities with emphasis on the executive level.

EXAMINATION INFORMATION

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be conducted with the most qualified candidates. All candidates will receive written notification of their examination results. The result of this examination will be used only to fill the position of **DEPUTY DIRECTOR, FACILITIES DEVELOPMENT DIVISION**, with the **OFFICE OF STATEWIDE HEALTH PLANNING & DEVELOPMENT**. Applications will be retained for twelve months.

The results of this examination will be used only to fill this position.

The examination process may consist of two phases. Phase one - using predetermined evaluation criteria based on the minimum and desirable qualifications, applicants will be competitively ranked according to their personal qualifications and experience as stated on their applications, resumes, and Statement of Qualifications. Phase two - a Qualifications Appraisal Interview, which may include structured questions and/or a written exercise. Based on the competitive group, the most qualified candidates may be scheduled for a hiring interview.

FILING INSTRUCTIONS

Resumes do not take the place of the Statement of Qualifications. Applications submitted without a Statement of Qualifications will be eliminated from the examinations process.

All materials must be received by the Examination Unit by the final filing date. Applications postmarked, personally delivered, faxed or received via interoffice mail after 5:00 pm on the final filing date of July 7, 2009 will not be accepted.

Interested applicants must submit:

- A completed Standard State Application (Form 678).
- A "Statement of Qualifications". The Statement is a narrative discussion of how the candidate's education, training, experience, and skills meet the minimum and desirable qualifications and qualify them for the position. The Statement of Qualifications serves as a documentation of each candidate's ability to present information clearly and concisely in writing and should be typed and no more than three pages in length.
- A resume with references

Applications must be submitted by the final filing date to:
